Subject: IRT review of provisional approval email Petersen Area A third credit release
Attachments: Provisional approval DRAFT.docx

Hi All

Like the last time they have asked for provisional approval before they make their Endowment Deposit. Here is my draft email similar to what I sent for Area E. I included the question about Appendix A Table 5. Please look at my questions to IRT about that.

I verified their endowment calculations but still want to check the math on the ledgers (hopefully today).

I'd like to hear from IRT about any other concerns, finalize this email, show this to my sup and send it to them by the end of the week if possible so they can submit the Credit release request with all the required documentation. Thanks Janice

Agree on asking them to revise. Thanks for catching that. I am going to look at it Monday afternoon and will look over the ledgers. I'll let you all know if anything comes up. I did check their CPI adjustment calculations and got the same numbers. Janice

Hi Everyone,

I'm only including the IRT on this message.

I reviewed their revised credit release request and do not object to the requested release since they are excluding the 0.66 acres that did not meet all of the UPS.

Ex. 4 CBI

Ex. 4 CBI

I'll also note that I did not have time to review their ledgers again in any detail. I only reviewed the cover the letter and performance standard discussion.

Thanks,
Melissa

Subject: Re: IRT response Peterson Area A Third Credit Release Request

Hello Petersen Ranch IRT,

Please find attached the revised PRMB Area A Release 3 credit release request letter package. The letter has been revised to request a partial release of credits, with no credits from the Petersen Stream Restoration Site requested for release. Additionally, the requested description of how performance standards were or were not achieved for each credit type and how CRAM and UPS were used to assess performance standards has also been added to the credit release package.

I have attached a fully revised PDF of the request letter package and a red-lined version of the letter itself.

Please let me know if you have any further questions.

Thanks and have a great weekend,
Marlene
